Lord, the weather patterns have been difficult this year. Huge amounts of rain followed by another rain on another day, again. If we did not know better, God are you mad at us? Is there a problem that we feel like we need to address? Our God, we know you are a loving God, and you give us all we need to handle whatever this world throws at us, please reassure us in this service that your love is stronger than ever and your presence is exactly what is needed to overcome our challenges, in Jesus name. AMEN

The Lord's Prayer

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. For thine is the kingdom, and the power, and the glory forever. Amen.
