I don't know about tomorrow, I just live from day to day, as the old hymn goes. The words are very true, we don't know but we try to anticipate what could be "around the corner." I think at times, it is good practice to hope for the best but prepare for the worst. Though good thought, it doesn't really help. I seem to adopt worry as an essential part of everyday living. That doesn't help either. I need something today, something that will change my heart to what the Bible calls, "life in abundance." Help me Lord, to be open to you and what you have today. I need guidance, in Jesus' name, AMEN

Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. For thine is the kingdom, and the power, and the glory forever. Amen.
