*Dear Friends,*

*On June 8 we celebrated Pentecost, the birthday of the church – the gift of the Holy Spirit to all believers.*

*We heard God's Word, received powerful reminders of God's presence in our lives, and invited God into our lives to bring healing and hope. So... what's next?*

*Well, now that we have opened ourselves up to God's presence, God will not leave us alone! The Spirit calls us to continue to confront our brokenness and sin and find the strength to deal with those broken aspects of our lives. Healing is not the simple and spontaneous removal of a symptom of a deeper problem. It would be like a patient with a brain tumor taking an aspirin to get rid of the headache and thinking they are cured. No, what we really want, what we really crave from God, is*

*true healing of heart and mind and spirit. God's healing presence is always there. God wants us to be free from sin and its power over us!*

*The season of Pentecost, which continues until mid-November, helps us live lives of healing, of celebrating God's presence and power in our lives every day. It is a journey filled with victories and defeats, joys and conflicts – and through all of that, an absolute unwavering sense of God's presence in our lives every day. The scripture readings for the season of Pentecost are intended to lead us into and through a powerful, faithful, and spirit-filled life. Join us on the journey!*

*In Christ's love and service,*

*Pastor Karen*
